

Healing Key Issues

6 Thursdays 7:30—9
Beginning Thursday June 7
1901 Powder Mill Rd.
Silver Spring MD 20903
(202) 253-6009

There are key issues of life that we all navigate, such as relationships, finances, professional fulfillment, grief, health, disappointment, sexuality and hope. There is general spiritual wisdom, and specific ways that we can navigate these issues, solve the problems they create and move through them to live a life of joy and fulfillment. This 6 week practical class will help you to identify and overcome the inner barriers to the good that you desire week by week, by addressing the key issues common to the human experience. By developing techniques and principles to identify and transform previously unconscious blockages to your good, you can heal your thoughts, your patternings and what these energy patternings create. These techniques will be applied directly and effectively to the specific barriers that you uncover in a safe, loving and supportive environment so that you can experience the healing you desire, that brings the good you deserve.

\$175 Members / \$200 Friends (\$50 Discount for Pre-payment) or \$25 per class. This class can be taken with Spirit Speaks on Healing Key Issues for the same price (two for the price of one).
