Healing the Inner Child

6 Thursdays 7:30—9

Beginning Thursday Sep. 13

1901 Powder Mill Rd.

Silver Spring MD 20903

(202) 253-6009

There is a part of our consciousness that formed early in our lives that determines the patterns and potential problems we are likely to encounter in areas such as relationships, finances, professional fulfillment, sexuality and hope. This part of us is the “inner” child. Healing these key areas of our lives may require healing the child within. This course provides the safe space for discussion, processes for healing and transforming the child within, and a roadmap for keeping the child from sabotaging our adult desires. By developing techniques to heal and champion your inner child, you can heal your thoughts, your patternings and what these energy patternings create. These techniques will be applied directly and effectively to the specific barriers that you uncover in a safe, loving and supportive environment so that you can experience the healing you desire, that brings the good you deserve.

\$175 Members / \$200 Friends (\$50 Discount for Pre-payment) or \$30/\$35 per class. This class can be taken with Spirit Speaks on Inner Child Issues for the same price (two for the price of one).
